

January 2021

Hello **WARHA** Members!

One month in and we have already had a hiccup with a COVID-19 lockdown! Not only with COVID-19 but adding in the horrible bush fires in WA! These fires have affected several of our members, we are all thinking of those who have lost their homes, their livelihoods or had serious damage to their property's! All so devastating! We are all here if anyone needs help etc getting back on their feet! Wonderful to see the whole equine community come together to help in times like these!

We held our first WARHA club day for the year on the 23rd of January!

Great to see lots of our members out for the morning, some fence sitters and also nice to see some new faces come along to give reining a go! Thank you to Gary Woolaway for helping with some coaching and training tips to work on!

Please Join us for our next club day March 6th!

Keep a eye on our facebook page for all our reining info! ****Western Australian Reining Horse Association****
